

STEP 3: SEARCH SMART

NEED GUIDANCE BUT DREADING AN ENDLESS INTERNET SEARCH?

Hortiki Says: Specific questions and time limits will streamline your search

| <u>Gardening Question</u> | <u>Source(s)</u> | <u>Answer(s)</u> | <u>Follow-up</u> |
|---|--|-------------------------------------|-------------------------------------|
| Example: What edible flowers grow well in containers? | University Extension; Library Book on Container Gardening | Nasturtium, calendula, chive, viola | Check growing zones for nasturtiums |

Remember to set time limits so you won't get frustrated during your search. If, at the end of your time limit, you haven't found an exact answer - that's okay! Part of the fun of gardening is learning as you go.
