

## My Dream Plantscape

Pretend you've just won a contest. \$750,000 of free plants. Six months of in person consultations with a team of experts. Experts in interior design, horticulture, environmental psychology, feng shui, etc. Your plant life dream team. You sit down with them to describe what you want to come out of this amazing plant life makeover. What do you tell your dream team?

Write freely in the space below. Describe how you want your space to feel and function.

### PLANT LIFE DREAM TEAM CONSULTATION

#### Sample Prompts:

I want my space to feel... (i.e. lush and tropical, minimal and clean; exotic and global, beachy, etc.)

I want plants that are ... (i.e. unusual, easy to care for, beautiful, full and leafy, etc.)

In my living room I ...(i.e. entertain a lot) so I want....

In my office I ... (i.e. have a lot of electronics) so it's important that ...

For my patio I've always imagined...
