

## My Dream Plantscape: Wish List

Your dream team now has a feel for the type of space you want to create. They're ready to get more specific. Pretend you are working with them to complete the blocks on this page and the next with words and pictures. What type of plants do you want in each category?

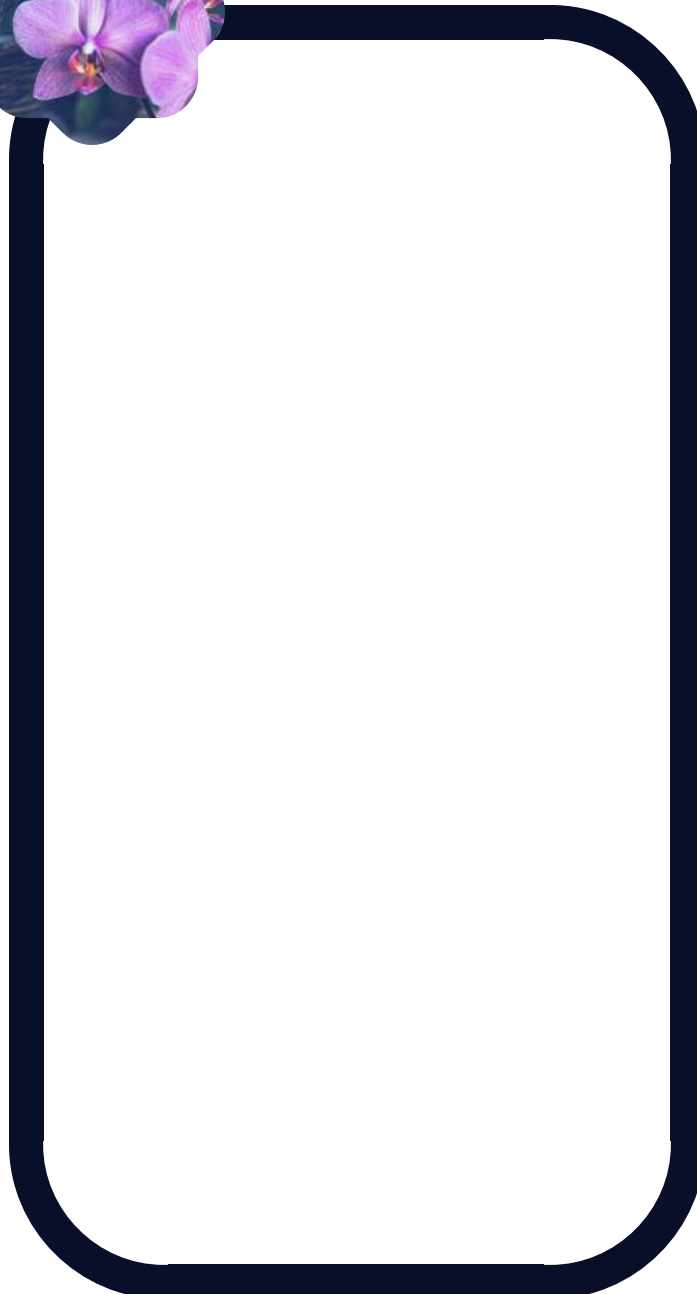

Hint: If you don't know specific plant names that's okay. Use descriptive words instead. For example: tall greenery near my bookcase; hanging basket with flowers in my dining alcove.

### EDIBLE PLANTS

### FLOWERING PLANTS

# My Dream Plantscape: Wish List

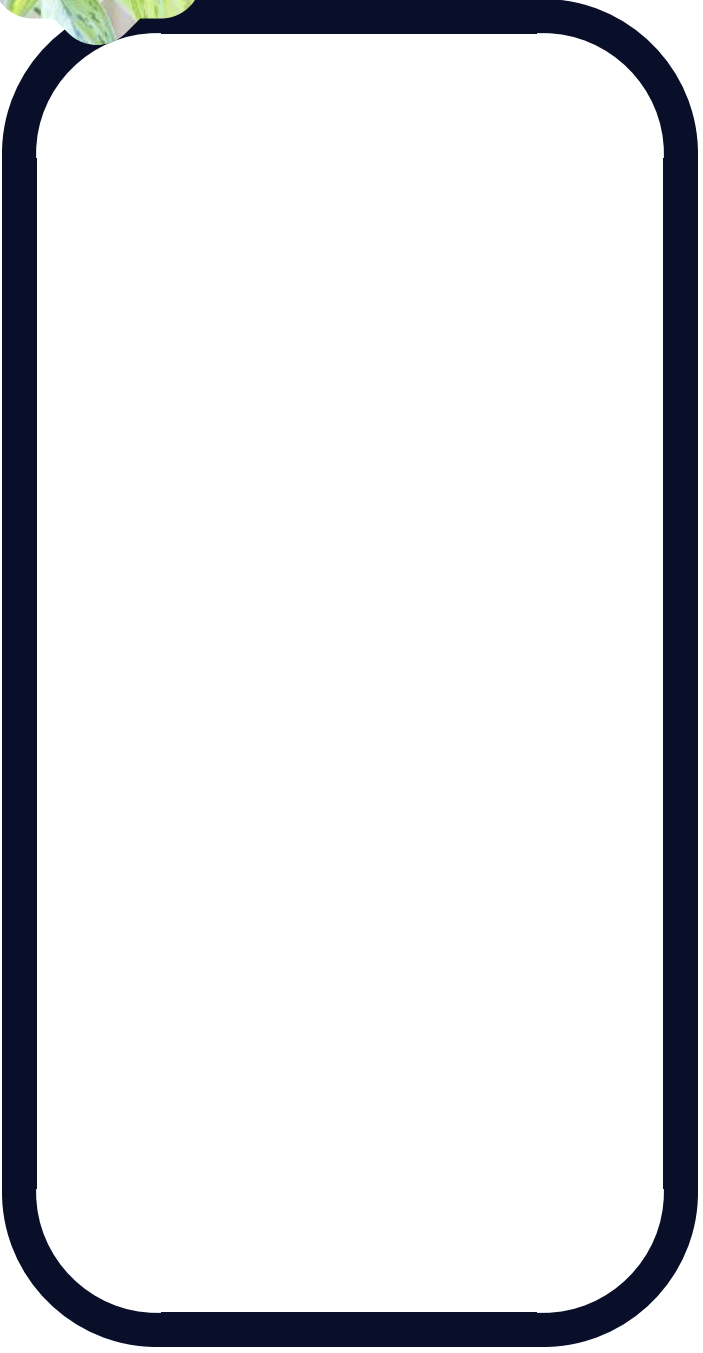

Halfway there - keep going.

Dreaming big, without constraints, will help you create your best plant life!

Hint: Miscellaneous plants can include succulents, medicinal plants, sensory plants, etc.
